Policy Statement

ge is committed to protecting Workers and Other Persons, such as students and parents, against harm to their health and safety through the elimination or minimisation of risks arising from work. Wisdom College supports the principle that Workers and Other Persons should be given the highest level of protection against harm to their health and safety from hazards and risks arising from work, as far as is reasonably practicable.

In line with the Work Health and Safety Act 2011 (Qld) and the Work Health and Safety Regulation 2011 (Qld), this means that Wisdom College will ensure, so far as is reasonably practicable:

- The health and safety of workers, students, visitors, contractors and members of the public while at the school
- That the health and safety of other persons is not put at risk from work carried out as part of the conduct of the school
- Maintaining an adequate WHS Management System
- Managing all presented workplace hazards and associated risks
- Providing adequate resources to workers to implement the WHS Management System
- Ensuring all workers are provided with the required personal protective equipment (PPE)
- Ensuring all workers are trained and competent to fulfill their duties
- Supporting a suitable consultation process to allow any WHS matters to be addressed and resolved

This commitment is in line with Wisdom College's responsibility under the Education (Accreditation of Non-State Schools) Regulation 2001 to have a written process about the health and safety of staff and students.

Wisdom College will ensure that all workplace hazards and associated risks will be identified and controlled as part of our risk management strategy. This aims to, as far as reasonably practicable, eliminate or manage any residual risk to reduce any possible adverse outcomes.
